You begin the game as part of a regiment, which generally consists of several units in formation. Each unit is organized to defeat different enemies and has its own personality. As you grow, your rank may increase and the demands on your time may increase as well. Should your leadership be questioned, you may be required to serve and travel with the Elden while leading a unit. Each unit in your formation is represented by a person, and when a player kills or captures that person, they
